Citizens for Space Exploration: Annual DC Fly-in: 2023 dates are: May 22-24. Also planning a Freshmen Fly-in March 8-9. CSE is a multi-state, grassroots space advocacy group of concerned citizens. Join them as they meet with members of Congress in DC to inform and educate them about the importance of a robust human space exploration program and a fully funded NASA budget. We also advocate for the funding of Navy operations and other funding priorities at Stennis and Michoud Assembly Facility. If not held as face-to-face meetings, will be held virtually.

- **Platinum Partner: \$500 (trip is self-funded)** Benefits include: Opportunity to attend meetings with Congressional delegation; Name on home page of website, email blasts, and social media; Listing in the program for the Congressional reception in DC.
